PURE PETTY BIO: Pure Petty's mission has been to recreate the music of Tom Petty & The Heartbreakers with precision, intense attention to detail and unswerving respect for a revered musical legacy. Everyone's parts are intensely studied, down to the inflections in the way each word of every lyric is sung. Close your eyes and you won't know the difference. Open them and you still might be fooled! Pure Petty pays tribute to one of the greatest American singer-songwriters of all time by delivering an astounding and memorable salute to the musical legacy of Tom Petty and his collaborations with Stevie Nicks via a second-to-none, high-energy performance that leaves wildly enthusiastic, multi-generational crowds craving more!

That's why the band has earned a reputation as one of the most popular tribute acts in the Philadelphia/ tri-state area, and why it's rapidly gaining recognition in other regions.
